**EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013)**

**Item No 3: Appointment of Statutory Auditors of the Company**

A casual vacancy has arisen in the office of the Statutory Auditor due to the resignation of the existing Auditor, consequent to the reconstitution of the audit firm.

M/s. Saju and Jose, Chartered Accountants (Firm Registration No. 010860S) is hereby proposed to be appointed as the Statutory Auditors of the Company. The firm has confirmed its eligibility under the provisions of the Companies Act, 2013, and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and has given its consent to act as Statutory Auditors. Based on the recommendation of the Audit Committee, the Board of Directors has approved the appointment of M/s. Saju and Jose, Chartered Accountants as the Statutory Auditors of the Company for a period of five consecutive years, from the conclusion of this Annual General Meeting until the conclusion of the AGM to be held in the year 2030, at such remuneration as may be mutually agreed between the Board and the Auditors, subject to approval of the members.

The Board recommends the resolution set out in Item No. 3 of the accompanying Notice for approval of members as an Ordinary Resolution.

None of the Directors, Key Managerial Personnel, or their relatives is concerned or interested, financially or otherwise, in this resolution.

**Item No 4: To appoint a Director in the place of Mr. Cherian Thomas (DIN: 02719359), who retires by rotation and being eligible offers himself for re appointment.**

Mr. Cherian Thomas (DIN: 02719359) is a Director of the Company who retires by rotation and being eligible, offers himself for reappointment. Mr. Cherian Thomas (has exceeded the age under the provisions of SEBI for being appointed as Director of the Company under an ordinary resolution, but is however) is eligible for reappointment as a Director subject to the appointment being made by a special resolution. Furthermore, in accordance with Section 196 of the Companies Act, 2013, and other applicable provisions Mr. Cherian Thomas, with his extensive experience, qualifications, and professionalism, has consistently demonstrated his ability to guide the company towards achieving greater heights. His continued leadership and strategic acumen are anticipated to be valuable assets in driving the company's growth and success. The Board of Directors strongly believes that his reappointment will not only align with the best interests of the Company but also contribute significantly to its sustained progress.

The Board of Directors excluding Mr. Cherian Thomas and Ms. Susann Koshy, being relatives of Mr. John Karot Thomas recommends this resolution

for your approval by way of passing a Special Resolution. All documents referred to in the resolution are open for inspection at the registered office of the Company on all working days except Saturday, Sunday and Holidays between 11:00 A.M to 1:00 P.M up to the date of the Annual General Meeting.

**THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING ARE AS UNDER:**

- Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.
- Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.
- (i) The voting period begins on 24.09.2025 at 10:00 AM and ends on 25.09.2025 at 05:00 PM.. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (12.09.2025) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

### State of Affairs of the Company and Future Outlook:

The Company has two divisions: Rubber and Tea.

### Adoption of Indian Accounting Standards (Ind AS)

Pursuant to the requirements under the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR") and the Companies (Indian Accounting Standards) Rules, 2015, as amended, the Company has adopted the Indian Accounting Standards (Ind AS) in place of the existing Accounting Standards (AS) for the preparation of its financial statements with effect from the financial year 2024-25 onwards.

The adoption of Ind AS is necessitated due to the Company being a listed entity and for the purpose of ensuring compliance with the prescribed regulatory framework applicable to such entities. Further, the adoption will facilitate greater transparency, enhanced comparability of financial statements with peers in the industry, and alignment with global best practices in financial reporting.

Accordingly, these financial statements for the year ended 31st March 2025 have been prepared in accordance with Ind AS, together with the comparative information for the previous year restated as per Ind AS, wherever applicable.

### Consolidated Financial Statements:

The consolidated Balance Sheet as on 31st March 2025 and the Profit & Loss Account for the year ended on that date of the Company and its subsidiary companies are annexed to the Annual Report.

The Subsidiary Company Malankara Wood Ltd made a profit of Rs. 41.75 lakhs during the year compared to a profit of Rs. 39.11 lakhs in the previous year.

The Subsidiary Company Malankara Enterprises Limited made a profit of Rs. 5.99 Lakhs during the year compared to a profit Rs. 2.53 Lakhs in the previous year.

**Listing Status:**

The Company was originally listed on the Madras Stock Exchange since the inception of the Madras Stock Exchange. However, with the Madras Stock Exchange becoming defunct for failing to meet SEBI's regulatory requirements, the Company's equity shares were migrated to the Dissemination Board of the National Stock Exchange (NSE). Pursuant to SEBI's circular issued in 2016, companies on the Dissemination Board were required to either list their shares on a recognized stock exchange or provide an exit opportunity to shareholders through buyback.

After detailed consultations with SEBI, NSE, and the Merchant Banker, the Company decided to pursue listing on the Metropolitan Stock Exchange of India Limited (MSEIL), a nationally recognized stock exchange, to facilitate trading of its shares by the shareholders. Towards this, the Company increased its authorized share capital and approved the issuance of bonus shares at the Annual General Meeting held on 30th September 2022, in compliance with the listing requirements of MSEIL. The shareholders also approved the listing proposal through a special resolution passed at the Extraordinary General Meeting held on 19th April 2024.

While the Company completed all procedural and regulatory formalities, SEBI subsequently raised objections citing delay in the listing process. In response, the Company filed a petition before the Hon'ble High Court of Kerala asserting its right to be listed. The Hon'ble High Court, after considering the merits of the Company's submissions, passed a favourable order directing SEBI to facilitate the Company's listing. Following the Court's order, the Company submitted the listing application to MSEIL, and upon complying with all applicable provisions of the Companies Act, 2013, and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, MSEIL approved the listing. The Company's equity shares were accordingly admitted to dealings on the Metropolitan Stock Exchange of India Limited with effect from 9th May 2025, as already informed to the shareholders.

**Employees Stock Option Plan:** The Company has not provided any Stock Option Scheme to its employees.

**Acknowledgements:**

Your Directors place on record their gratitude to employees at all levels for their hard work and commitments. The Directors also take this opportunity to thank its bankers, business associates, consultants, various Government Authorities for the continued support extended to your Company's activities during the year under review. Your directors also gratefully acknowledge the support and confidence reposed in them by the shareholders.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to corporate practices by **M/s MALANKARA PLANTATIONS LIMITED** (hereinafter called "the Company"). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, and subject to letter annexed herewith, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on March 31, 2025, generally complied with the applicable statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, registers, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2025 according to the applicable provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) Secretarial standard pursuant to section 118(10) of the Act, issued by the Institute of Company Secretaries of India;

I have also examined compliance with the applicable clauses of the following laws as certified and produced by the management:

1. Labour Laws and other incidental laws related to labour and employees appointed by the Company either on its payroll or on contractual basis as related to wages, gratuity, provident fund, ESIC, compensation etc.;
2. Acts as prescribed under Direct Tax and Indirect Tax;
3. Acts as prescribed under Shops and Establishment Act of various local authorities;
4. Other local statutory acts, if any;

During the period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Directions, Guidelines, standards etc.

As per the information produced and certified by the Management Adequate notices were given to all directors for the Board Meetings along with agenda and detailed notes on agenda were sent at least seven days in advance for meetings other than those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting by the Directors.

As per the minutes, the decisions at the Board Meetings were taken unanimously. I further report that management has confirmed that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines etc.

I further report that based on review of compliance mechanism established by the Company and on the basis of the Compliance Certificate(s) issued by the Company Secretary and taken on record by the Board of Directors at their meeting(s), we are of the opinion that there are adequate systems and processes in place in the Company which is commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines;

## MANAGEMENT DISCUSSION & ANALYSIS REPORT

**For the Financial Year 2024–2025**

*(Pursuant to Regulation 34(2)(e) of SEBI (LODR) Regulations, 2015 and Schedule V)*

### 1. Industry Structure and Developments

The Indian plantation industry remains a vital contributor to agriculture, providing raw materials for industrial use and employment in rural areas. Rubber and tea plantations dominate the sector, influenced by global commodity prices, domestic demand, and climatic factors.

During FY 2024–25, the rubber sector faced moderate price volatility in international and domestic markets. Input costs, including labor and raw materials, increased. Tea prices were comparatively stable; however, the Company strategically discontinued trading of blended tea packets to focus on plantation operations and high-quality produce.

The Company leveraged its estates to explore value-added operations, such as mechanized harvesting and automation of processing, to improve operational efficiency and sustainability.

### 2. Opportunities and Threats

#### Opportunities:

- Increasing domestic demand for natural rubber due to growth in automotive and industrial sectors.
- Government incentives for sustainable agricultural practices and plantation modernization.
- Expansion into plantation tourism, following government approvals, to generate additional revenue streams.
- Adoption of mechanized and robotic tapping technology to reduce labour dependency and improve yield.

#### Threats:

- Volatility in global rubber prices affecting revenue predictability.
- Labor shortages and rising wages across plantations.
- Climatic variability, including erratic rainfall affecting productivity.
- Competition from synthetic rubber and imports in domestic markets.
- Regulatory compliance challenges related to environmental, labour, and taxation laws.

### 3. Segment-wise and Product-wise Performance

The Company operates primarily in plantation activities, including cultivation of rubber and tea, and processing operations.

#### Rubber Division:

- Production decreased to **410,201 kg** from 530,357 kg in FY 2023–24.
- Sale rates increased by **34.82%** compared to the previous year.
- Estate expenditure increased to **Rs. 169.44/kg**, with a total cost of **Rs. 201.14/kg**, while average sale price was **Rs. 214.84/kg**.
- Mechanization improved productivity per hectare to 1,300 kg.

#### 10-Year Performance Summary (Rubber Division):

Year	Crop (In Kg)	Estate Expenditure (Rs per Kg)	Total Cost (Rs per Kg)	Average Sale Price (Rs per Kg)	Average Crop Per Hectare (in Kg)

#### 7. Risk Management and Mitigation Measures

The Company has a comprehensive Risk Management Policy reviewed periodically by the Audit Committee and the Board. Key risks include price volatility, labor availability, climate-related challenges, regulatory compliance, and operational inefficiencies.

**Mitigation Measures Adopted in FY 2024–25:**

1. Redeployment of workforce to maximize revenue and operational efficiency.
2. Rationalization of inputs, including modern plant protection methods.
3. Discontinuation of rubber trading in centrifuged latex.
4. Cessation of blended tea packet trading to focus on core operations.
5. Mechanized operations across plantations.
6. Use of bio-fertilizers and bio-pesticides.
7. Mechanized harvesting of tea.
8. Automation of production lines.
9. Installation of process control equipment to maintain product quality.

**8. Internal Control Systems and Adequacy**

- Regular internal audits conducted; findings reviewed by Audit Committee.
- Operational efficiency, compliance, and asset safeguarding ensured.

**9. Human Resources and Industrial Relations**

- Training and development programs continued for staff and workers.
- Safety, welfare, and skill development initiatives maintained.
- Industrial relations remained cordial.

**10. Environment, Health, and Safety (EHS)**

Sustainability and employee welfare are integral to Company operations:

- Adoption of bio-fertilizers and bio-pesticides.
- Mechanized and automated operations to reduce occupational hazards.
- Regular audits and awareness programs to maintain safety and health standards.

# INDEPENDENT AUDITOR'S REPORT

To

**The Members of  
MALANKARA PLANTATIONS LIMITED  
KOTTAYAM**

## **Report on the Audit of the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of **MALANKARA PLANTATIONS LIMITED** which comprises the Balance Sheet as at 31st March, 2025, and the Statement of Profit and Loss (including other comprehensive income), the statement of changes in equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Companies Act 2013, read with the Companies (Indian Accounting Standards) Rules 2015 ("Ind AS") as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its Loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date

## **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

## **First-time adoption of Indian Accounting Standards (Ind AS)**

The Company has prepared its financial statements for the year ended 31 March 2025 in accordance with Ind AS for the first time, with the transition date being 1 April 2023. The adoption of Ind AS has required significant adjustments to amounts reported under previous GAAP and the preparation of an opening Ind AS balance sheet. This process involved application of exemptions and exceptions under Ind AS 101, determination of fair values, reclassification of items, and additional disclosures, requiring significant management judgment.

Our audit procedures included evaluating the exemptions and exceptions applied by the Company, testing the transition adjustments and restated comparative figures, assessing the reasonableness of judgments and estimates, and verifying the adequacy of the related disclosures in accordance with Ind AS 101. Based on the audit procedures performed, the transition adjustments and disclosures were found to be appropriate.

## **Information other than the financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Managements Responsibilities for the standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

#### **Auditor's Responsibility for the audit of the Standalone financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 1, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Balance Sheet, the statement of Profit and Loss(including other comprehensive income), the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - (e) On the basis of written representations received from the directors as on 31st March 2025 and taken on record by the Board of Directors, none of the Directors are disqualified as on 31st March 2025 from being appointed as a director in terms of Sec. 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's Internal Financial Controls over Financial Reporting.
  - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    1. There are no pending amounts required to be transferred to the Investor Education and Protection Fund by the Company.
    2. The Ind AS financial statements disclose the impact of pending litigations on the financial position of the company (Refer Note 35 to the Ind AS financial statements)
    3. The Company does not have any long-term contracts including derivative contracts and hence no provision has been made.

4. Management has represented that to the best of its knowledge and belief, no funds have been advanced or Loaned or Invested by the company to or in any other person(s) or entities, including foreign entities("intermediaries"),with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company(ultimate beneficiaries) or provideany guarantee, security or the like on behalf of Ultimate beneficiaries.
5. The Management has represented that to the best of its knowledge and belief no funds have been received from any persons(s) or entities, including foreign entities ("Funding Parties"), with the understanding that such company shall whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (Ultimate Beneficiaries) or provide guarantee, security or the like on behalf of Ultimate beneficiaries.
6. Based on such audit procedures performed, that we have considered reasonable and appropriate in the circumstances, nothing has come to our knowledge that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (4) and (5) above contain any material misstatement.
7. The company has declared and paid Dividendduring the year, and the same is in compliance with Section 123 of the Companies Act, 2013.
8. Based on our examination, which included test checks, the Company has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025. While the accounting software systems used during the year do not have an in-built audit trail (edit log) feature, we understand that the Company has implemented appropriate manual controls and procedures to ensure the integrity and traceability of its financial transactions. Accordingly, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 has been considered in the context of the available control environment and record retention practices

## Annexure 2 to the Independent Auditors' Report-

(Referred to in our report of even date)

### Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of MALANKARA PLANTATIONS LIMITED ("the Company") as at 31st March 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### Management's Responsibility for the Internal Financial Controls

The management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information as required by the Act.

#### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing issued by ICAI and deemed to be prescribed under section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that:

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- c. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Summary of significant accounting policies and other explanatory information for the year ended 31 March 2025. (All amounts in Lakhs, unless otherwise stated)

### 1. Background

Malankara Plantations Limited (“the Company”) is a Public Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed in one recognised stock exchange in India. The registered office of the Company is located at Malankara Buildings, Kodimatha, Kottayam, Kerala-686013. The Company is principally engaged in plantations having tea and rubber estates in Kerala and also engaged in producing minor produce such as coffee, coconuts, pineapple, Rambutan, cardamom and pepper.

### 2. Summary of significant accounting policies

#### a) Basis of preparation and presentation of financial statements

##### i) Statement of compliance with Indian Accounting Standards (Ind AS)

The Board of Directors of the Company has adopted Indian Accounting Standards in preparing the financial statement with effect from financial Year 2024-25. The standalone financial statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time. The aforesaid financial statements have been approved by the Board of Directors in the meeting held on 12-8-2025.

For all periods up to and including the Financial Year ended 31 March 2024, the Company prepared its financial statements in accordance with requirements of the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (Previous GAAP). These are the first Ind AS financial statements of the Company. The date of transition to Ind AS is 1st April 2023. Refer note 38 for the details of first-time adoption exemptions availed by the Company, reconciliations and descriptions of the effect of the transition.

##### ii) Basis of accounting and measurement

In accordance with the notification issued by the Ministry of Corporate Affairs, the Company is required to prepare its financial statements as per the Indian Accounting Standards (“Ind AS”) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time. Accordingly, the Company has prepared these financial statements which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss, the Statements of Cash Flows and the Statement of Changes in Equity for the year ended 31 March 2025, and accounting policies and other explanatory information (together hereinafter referred to as financial statements).

The financial Statements have been prepared using the significant accounting policies and measurement bases summarised below. These accounting policies have been used throughout all periods presented in these financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All amounts included in the financial statements are reported in Indian Rupees in Lakhs.

#### b) Use of estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The Company bases its estimates and assumptions on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

#### Significant management judgements

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the amounts recognised in the financial statements or that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

##### *Classification of leases*

The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors.

##### *Recognition of deferred tax assets*

The extent to which deferred tax assets can be recognised is based on an assessment of the probability that future taxable income will be available against which the deductible temporary differences and tax loss carry forward can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

##### *Evaluation of indicators for impairment of assets*

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets. In assessing impairment, management estimates the recoverable amount of each asset based on the market conditions prevailing on the relevant date.

##### *Recoverability of advances / receivables*

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

#### *Useful lives of depreciable / amortisable assets*

Management reviews its estimate of the useful lives of depreciable / amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain items of property, plant and equipment.

#### *Contingent Liability*

Management reviews its estimate of the financial impact of the contingent liability at each reporting date, based on the demands received from various Departmental authorities.

#### *Defined benefit obligation (DBO)*

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, expected rate of return, mortality, discount rate, retirement age, leaving of service, disability and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

#### *Fair value measurements*

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

#### *Valuation of agriculture Produce*

Produce growing on bearer plants are biological assets and are 'Fair value' based on biological transformations. As at the balance sheet date, the management has determined that it can reliably measure the biological transformations of its growing produce and such growing produce and agriculture produce has been measured at 'fair values' based on the management's estimates of expected produce. 'Fair values' has been assessed at market prices at the reporting date and adjusted for estimates of costs to be incurred from the reporting date until harvest. Considering susceptibility of the estimates to variations, these estimates and assumptions are reviewed at every reporting date until harvest.

### **c) Current versus non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has evaluated and considered its operating cycle as 12 months.

### **d) Property, plant and equipment**

The Company has opted to continue with the carrying value for all of its property, plant and equipment as recognised in its previous GAAP financial statements as deemed cost at the transition date, viz., 1 April 2023.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by management. Depreciation is provided in the manner and at the rates specified in scheduled II to the Companies Act 2013 on fixed assets.

Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Cost includes inward freight, non-refundable duties/ taxes and expenses incidental to acquisition/installation.

Expenses relating to new planting of rubber and further expenditure incurred at the replanted fields (immature area) are capitalised and shown under the head "bearer plants".

Property, plant and equipment [other than freehold land and lease hold land (perpetual lease)] are depreciated under the written down value method [other than bearer plants (rubber trees and tea bushes) which are depreciated using straight line method] over the estimated useful lives of the assets, which are different from the lives prescribed under Schedule II to the Companies Act, 2013. Useful life adopted by the company for bearer plants (Rubber Trees) is 28 years and bearer plants (Tea Bushes) is 80 years.

### **e) Intangible assets**

The Company has elected to continue with the carrying value for all of its intangible assets as recognised in its previous GAAP financial statements as deemed cost at the transition date, viz., 1 April 2023.

Computer software is capitalised in the period in which the software is implemented for use, where it is expected to provide future enduring economic benefits; such capitalisation costs include license fees and cost of implementation/ system integration services. Intangible Assets are amortised over the period useful life of the assets.

**f) Impairment of property, plant and equipment and intangible assets**

The carrying amounts of fixed assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/ external factors. After impairment, depreciation is provided on the revised carrying amounts of the assets over their remaining useful lives.

**g) Assets held for sale**

Machinery and Tools included under the head Property, Plant and Equipment relating to discontinued operations have been classified as Non-Current Asset held for Sale/Disposal after considering impairment loss and are shown separately in the financial statements under the head 'Non-Current Assets classified as held for sale'. Any impairment loss in this regard is recognised immediately in the Statement of Profit and Loss.

**h) Revenue recognition**

Revenue from contracts with customers is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

The specific recognition criteria described below must also be met before revenue is recognised.

*Sale of goods*

Revenue from sale of tea at auction is recognised on receipt of the sale note from the brokers. Revenue from sale of tea other than at auction, sale of rubber and minor produces is recognised on transfer of significant risks and rewards of ownership in goods in accordance with the terms of sale. Revenue from sale of Vehicles and spare parts including accessories (Discontinued Operations) is also recognised on transfer of significant risks and rewards of ownership in goods in accordance with the terms of sale.

*Interest income*

Interest income is reported on an accrual basis and is included under the head "Other income" in the Statement of Profit and Loss.

*Dividend Income/Income from Mutual Fund units*

Dividend income/Income from Mutual Fund units are reported on a receipt basis and is included under the head "Other income" in the Statement of Profit and Loss.

**i) Inventories**

Valuation of Inventory of finished products of Rubber and Tea, stock of Spares and accessories & other materials has been done as per Ind AS 2 'Inventories'. Inventories are stated at lower of cost and net realisable value. Cost includes expenditure incurred in the normal course of business in bringing inventories to the location and conditions, labour and overhead wherever applicable. Inventories are written down for obsolete/ slow moving/ non-moving items wherever necessary.

**j) Standing crops**

Ind AS 2 'Inventories' does not envisage any change in the existing system of valuation of Inventories of finished products of tea and rubber from Accounting Standard 2 'Valuation of Inventories' followed by the Company during prior years. However, Ind AS 2 'Inventories' does not apply to valuation of Agricultural Produce, but will continue to apply to valuation of Inventory of finished products of Tea and rubber. Ind AS 41 'Agriculture' deals with the recognition and valuation of Agricultural Produce viz. standing crop of tea and rubber as biological assets. The Company has valued its standing crops of tea and rubber as at Ind AS transition date (1 April 2023) at fair value and adjusted the same in the retained earnings. The company valued the minor agricultural produces such coffee, pepper & cardamom (without further processing) at fair value as per Ind AS 41. Further movement in valuation at the reporting dates were routed through the Statement of Profit and Loss.

**k) Employee benefits**

Expenses and liabilities in respect of employee benefits are recorded in accordance with Ind AS 19, Employee Benefits.

*Defined contribution plan*

*Provident fund*

This is a defined contribution plan where contributions are remitted to provident fund authorities in accordance with the relevant statute and charged to the Statement of Profit and Loss in the period in which the related employee services are rendered. The Company has no further obligations for future provident fund benefits in respect of these employees other than its monthly contributions.

*Defined benefit plan*

*Gratuity*

This is a defined benefit plan. Provision is based on year-end actuarial valuation using projected unit credit method. Actuarial gains / losses are recognised immediately in the Statement of Profit and Loss as income or expense. As per Actuarial valuation certificate the provision required for gratuity is as on 31/03/2025 was Rs. 8,43,53,840 (Previous Year- Rs 8,28,70,631). The defined benefit obligation of the company using this method is calculated taking into account all types of decrements, the rate of gratuity appropriate at the time and mode of separation and quantifying salary projected upto the assumed date of retirement, or leaving of service of death.

Particulars	Period Ended	
	31.03.2025	31.03.2024
<b>Discount rate (p.a)</b>	<b>6.70%</b>	<b>7.20%</b>
<b>Expected rate of return on assets (p.a)</b>	<b>0.00%</b>	<b>0.00%</b>
<b>Salary Escalation Rate (p.a)</b>	<b>6.00%</b>	<b>6.00%</b>

### *Short-term employee benefits*

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

#### **l) Investments in subsidiaries**

The Company's investment in equity instruments in subsidiaries are accounted for at cost. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss.

#### **m) Government Grants**

Subsidy received from Tea Board during the year pertain to waiver of outstanding balance of tea board loan on account of prompt payments.

#### **n) Income taxes**

Income tax expense comprises current and deferred income tax. Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Current income tax for current period is 'Nil' due to absence of income and due to brought forward losses and unabsorbed depreciation.

Income Tax is accounted in accordance with Ind AS 12 'Income Taxes' which includes current taxes and deferred taxes. Deferred Tax Assets/Liabilities representing timing differences between accounting income and taxable income are recognised to the extent considered capable of being reversed in subsequent year. Deferred Tax assets are recognised only to the extent there is reasonable certainty that sufficient future taxable income is available. The deferred tax assets arising due to unabsorbed depreciation and losses are recognised if there is a virtual certainty that sufficient future taxable income will be available to realise the same.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date.

#### **o) Provisions and contingencies**

##### *Provisions*

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.

##### *Contingent liabilities*

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation or it cannot be measured with sufficient reliability. The Company does not recognise a contingent liability but discloses its existence in the financial statements by way of note.

#### **p) Financial instruments**

##### **Financial assets**

##### **Initial recognition and measurement**

Financial assets (other than trade receivables) are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through statement of profit and loss which are measured initially at fair value. Subsequent measurement of financial assets is described below. Trade receivables are recognised at their transaction price as the same do not contain significant financing component.

The company has measured its investments in Equity Shares(Quoted) and Mutual Fund Units at Fair Value on the basis of market value on the balance sheet date.

##### **Subsequent measurement**

For the purpose of subsequent measurement, financial assets are classified and measured based on the entity's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset at:

- a. Amortised cost
- b. Fair Value Through Other Comprehensive Income (FVTOCI) or
- c. Fair Value Through Profit or Loss (FVTPL)

All financial assets are reviewed for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired.

##### **De-recognition of financial assets**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's standalone balance sheet) when:

- a. The rights to receive cash flows from the asset have expired, or

- b. The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (i) the Company has transferred substantially all the risks and rewards of the asset, or (ii) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

### **Financial liabilities**

#### **Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts

#### **Subsequent measurement**

Loans and borrowings

Interest bearing loans and borrowings are accounted for as per the applicable Ind As considering prevailing facts and circumstances.

#### **Derecognition of financial liabilities**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### **q) Impairment of financial assets**

In accordance with Ind AS 109 Financial Instruments, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

The Company tracks credit risk and changes thereon for each customer. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss.

#### *Trade receivables*

The Company applies approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of receivables.

#### *Other financial assets*

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

### **r) Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

### **s) Segment Information**

The Company is engaged in plantations having tea and rubber estates. The business segments identified for segment reporting are Tea, Rubber and Others. Other Segment comprise of Minor Produce and other miscellaneous income.

A. Segment revenues and profits

B. Segment Assets and Liabilities

**t) Earnings/ (Loss) per Share (EPS)**

Basic EPS are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the Company (after adjusting for interest on the convertible preference shares, if any) by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. The computation of Diluted EPS is not applicable to the company as the company doesn't have Dilutive potential equity shares.

- 5) The Management promptly makes payment due to the micro, small, and medium enterprises under the head Trade Payables and covered under the micro, small and medium Enterprise Development Act 2006. In the opinion of the management the amount due to such parties may not be material.

- 6) The Company had advanced a loan of Rs.150 lakhs to M/s. Cochin Waste 2 Energy Pvt Ltd, Kochi on 08th July 2011 carrying interest at the rate of 12% per annum. On non-receipt of the amount back with interest, a civil case was filed before the Hon'ble Principal Sub Court, Kottayam and the Hon'ble Court has passed a judgment on 21/01/2017 in favour of the Company directing the defendants to pay a sum of Rs.212.73 lakhs including interest. However, the defendants filled an appeal before the Hon'ble High Court of Kerala against the order of the Hon'ble Sub Court which is pending for disposal. Accordingly, we have not accounted the interest receivable.
- 7) During the year the company has received a total amount of Rs.225.19 lakhs (Net of Expenses) on account of Sale of old and unyielding rubber trees and shade trees and shown as exceptional items in Profit and Loss Account statement as disclosed in Note No.33. Since the said receipt is capital receipt not being in the nature of income, the same is not considered for Income Tax computation.
- 8) Previous year figures are re-classified/re-grouped wherever necessary, to conform with changes in financial statements as per schedule – III of The Companies Act 2013, and as per the Guidance note issued by the Institute of Chartered Accountants of India.

### 38 First time adoption of Ind AS

These are the Group's first financial statements prepared in accordance with Ind AS. For periods up to and including the Financial Year ended 31 March 2024, the Group prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read with companies (Accounting Standards) Rules 2021 ("Previous GAAP").

Accordingly, the Group has prepared financial statements for the comparative period for the year ended 31 March 2025 that comply with the Ind AS applicable, as described in the summary of significant accounting policies. In preparing these financial statements, the Group's opening balance sheet was prepared as at 1 April 2023, the Group's date of transition to Ind AS. This note explains the principal adjustments made by the Group in restating its previous GAAP financial statements, including the balance sheet as at 1 April 2023 and the comparative financial statements as at and for the year ended 31 March 2024.

#### i) Ind AS optional exemptions

##### a) Deemed cost for property, plant and equipment and intangible assets

Ind AS 101 First-time Adoption of Indian Accounting Standards, permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 'Intangible Assets'. Accordingly, the Group has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

##### b) Deemed cost of Investment Property

Ind AS 101 First-time Adoption of Indian Accounting Standards, permits a first-time adopter to elect to continue with the carrying value for investments in Property as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Group has elected to measure its investments property at their previous GAAP carrying value.

##### c) Lease

Appendix C to Ind AS 17, Leases, requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, Leases, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101, First-time Adoption of Indian Accounting Standards, provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material. The Group has elected to apply this exemption for such contracts/ arrangements.

#### ii) Ind AS mandatory exemptions

##### a) Estimates

In accordance with Ind AS, as at the date of transition to Ind AS an entity's estimates shall be consistent with the estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1 April 2023 are consistent with the estimates as at the same date made in conformity with previous GAAP.

##### b) Classification and measurement of financial assets and liabilities

The classification and measurement of financial assets will be made considering whether the conditions as per Ind AS 109

Financial Instruments are met based on facts and circumstances existing at the date of transition. The Group has complied with the requirements of Ind AS 109 as may be applicable.

##### c) De-recognition of financial assets and liabilities

Note No:1 The Reconciliation amount(adjustments) represents Fair value of Biological assets / Standing crops which was not valued under previous GAAP .

Note No:2 The Reconciliation amount(adjustments) represents the Revaluation of quoted shares from Historical cost to Fair Value and impact on Deferred Taxes.

#### **(iv) Fair valuation of standing crops**

Ind AS 2 'Inventories' does not envisage any change in the existing system of valuation of Inventories of finished products of tea and rubber from Accounting Standard 2 'Valuation of Inventories' followed by the Group during prior years. However, Ind AS 2 'Inventories' does not apply to valuation of Agricultural Produce, but will continue to apply to valuation of Inventory of finished products of Tea and rubber. Ind AS 41 'Agriculture' deals with the recognition and valuation of Agricultural Produce viz. standing crop of tea and rubber as biological assets. The Group has valued its standing crops for tea and rubber as at Ind AS transition date (1 April 2023) and adjusted the same in the retained earnings. Further movement in valuation at the reporting dates were routed through the Statement of Profit and Loss.

#### **(v) Other comprehensive income**

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the Statement of Profit and Loss as 'other comprehensive income' includes re-measurements of fair value gains or (losses) on FVOCI Quoted equity instruments on the basis of market value as on Balance Sheet Date. The concept of other comprehensive income did not exist under previous GAAP.

#### **(vi) Other Equity**

Adjustments to retained earnings as at 1st April 2023 and 31st March 2024 has been made consequent to the above Ind AS transition adjustments.

## INDEPENDENT AUDITOR'S REPORT

To

**The Members of  
MALANKARA PLANTATIONS LIMITED  
KOTTAYAM**

### Report on the Audit of the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **MALANKARA PLANTATIONS LIMITED** (herein after referred as "the Holding Company") and its Subsidiaries (Holding Company and its Subsidiaries together referred to as "The Group") which comprises the Consolidated Balance Sheet as at 31st March, 2025, and the Consolidated Statement of Profit and including other comprehensive income, the Statement of Changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Companies Act 2013, read with the Companies (Indian Accounting Standards) Rules 2015 ("Ind AS") as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its Loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated Ind AS financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### First-time adoption of Indian Accounting Standards (Ind AS)

The Group has prepared its consolidated financial statements for the year ended 31 March 2025 in accordance with Ind AS for the first time, with the transition date being 1 April 2023. The adoption of Ind AS has required significant adjustments to amounts reported under previous GAAP and the preparation of an opening Ind AS balance sheet. This process involved application of exemptions and exceptions under Ind AS 101, determination of fair values, reclassification of items, and additional disclosures, requiring significant management judgment.

Our audit procedures included evaluating the exemptions and exceptions applied by the Company, testing the transition adjustments and restated comparative figures, assessing the reasonableness of judgments and estimates, and verifying the adequacy of the related disclosures in accordance with Ind AS 101. Based on the audit procedures performed, the transition adjustments and disclosures were found to be appropriate.

### Information other than the Financial Statements and Auditors' Report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Managements Responsibilities for the Consolidated Financial Statements

The Holding Company's Board of Directors and Management (collectively referred as the "Board") are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material mis-statement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

## Auditor's Responsibility for the audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of these consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

## Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, based on our audit and on the consideration of our report of the holding and subsidiary we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income the Statement of Changes of Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account, maintained for the purpose of preparation of Consolidated Ind AS Financial Statement.
- d) In our opinion, the aforesaid consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) On the basis of written representations received from the directors as on 31st March 2025 taken on record by the Board of Directors, none of the Directors are disqualified as on 31st March 2025 from being appointed as a director in terms of Sec. 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1", to this report which is based on the auditors of the Holding Company and its subsidiary incorporated in India.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- I. I. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group (Refer Note 35 to the consolidated Ind AS financial statements)
  - II. The Group does not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
  - III. There are no pending amounts required to be transferred to the Investor Education and Protection Fund by the Company.
  - IV. Management has represented that to the best of its knowledge and belief, no funds have been advanced or Loaned or Invested by the company to or in any other person(s) or entities, including foreign entities ("intermediaries"), with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner by or on behalf of the company (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of Ultimate beneficiaries.
  - V. The Management has represented that to the best of its knowledge and belief no funds have been received from any persons(s) or entities, including foreign entities ("Funding Parties"), with the understanding that such company shall whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (Ultimate Beneficiaries) or provide guarantee, security or the like on behalf of Ultimate beneficiaries.
  - VI. Based on such audit procedures performed, that we have considered reasonable and appropriate in the circumstances, nothing has come to our knowledge that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (4) and (5) above contain any material misstatement.
  - VII. The Holding Company has declared Dividend during the year, and the same is in compliance with Section 123 of the Companies Act, 2013
  - VIII. Based on our examination, which included test checks, the Group has used accounting software systems for maintaining its books of account for the financial year ended March 31, 2025. While the accounting software systems used during the year do not have an in-built audit trail (edit log) feature, we understand that the Group has implemented appropriate manual controls and procedures to ensure the integrity and traceability of its financial transactions. Accordingly, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 has been considered in the context of the available control environment and record retention practices.
  - IX. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and its subsidiaries included in the consolidated financial statements of the Group, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

## **Annexure 1 to the Independent Auditors' Report-**

(Referred to in our report of even date)

### **Report on the Internal Financial Controls under clause (i) of Sub-section 3 of Section 143 of the Act**

In conjunction with our audit of the consolidated financial statements of Malankara Plantations Limited ("the Holding Company") as at March 31, 2025, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and such companies incorporated in India under the companies Act 2013 which are its subsidiary companies, as of the date.

### **Management's Responsibility for the Internal Financial Controls**

The board of directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information as required by the Act.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the standards on Auditing issued by ICAI and deemed to be prescribed under section 143 (10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that:

- a. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- b. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and
- c. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and according to the information and explanations given to us, the Holding Company and such companies incorporated in India under the companies Act 2013 which are its subsidiary companies have, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025 based on internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Summary of significant accounting policies and other explanatory information for the year ended 31 March 2025. (All amounts in Lakhs, unless otherwise stated)

### 1. Principles of Consolidation

The consolidated financial statements relate to Malankara Plantations Limited, the parent company and its subsidiaries (the 'Group'). The Consolidated financial statements are in conformity with the Accounting Standards on "Consolidated financial Statements" (IndAS-110) prescribed under Section 133 of the Companies Act, 2013 of India (the 'Act') and are prepared as set out below:

- I. The financial statements of the Company and its subsidiaries are combined on a line-by-line basis by adding together the book values of items like assets, liabilities, income and expenses, after eliminating material intra-group balances and intra-group transactions and resulting unrealised profits or losses on intra-group transactions.
- II. The Consolidated financial statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent required and possible, in the same manner as the parent Company's separate financial Statements.

Following Subsidiaries of the Parent Company Malankara Plantation Ltd have been considered in the preparation of these consolidated financial Statements

Malankara Wood Limited - Indian Entity

Malankara Enterprises Limited - Indian Entity

Name of the Company	% Share Holding and Voting Power of Malankara Plantation Ltd	
	As at 31 March 2025	As at 31 March 2024

Malankara Wood Ltd	99.99%	99.99%
Malankara Enterprises Ltd	99.99%	99.99%

### 2. Summary of significant accounting policies

#### a) Basis of preparation and presentation of financial statements

##### i) Statement of compliance with Indian Accounting Standards (Ind AS)

The Board of Directors of the Group has adopted Indian Accounting Standards in preparing the financial statements with effect from Financial Year 2024-25. The Consolidated financial statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Accounting Standards) and as amended from time to time. The aforesaid financial statements have been approved by the Board of Directors in the meeting held on 12.08.2025.

For all periods up to and including the Financial Year ended 31 March 2024, the Group prepared its financial statements in accordance with requirements of the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (Previous GAAP). These are the first Ind AS financial statements of the Group. The date of transition to Ind AS is 1st April 2023. Refer note 38 for the details of first-time adoption exemptions availed by the Group, reconciliations and descriptions of the effect of the transition.

##### ii) Basis of accounting and measurement

In accordance with the notification issued by the Ministry of Corporate Affairs, the Group is required to prepare its financial statements as per the Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and as amended from time to time. Accordingly, the Group has prepared these financial statements which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss, the Statements of Cash Flows and the Statement of Changes in Equity for the year ended 31 March 2025, and accounting policies and other explanatory information (together hereinafter referred to as financial statements).

The financial Statements have been prepared using the significant accounting policies and measurement bases summarised below. These accounting policies have been used throughout all periods presented in these financial statements, except where the Group has applied certain accounting policies and exemptions upon transition to Ind AS.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. All amounts included in the financial statements are reported in Indian Rupees.

#### b) Use of estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

The Group bases its estimates and assumptions on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

## Significant management judgements

The following are significant management judgements in applying the accounting policies of the Group that have the most significant effect on the amounts recognised in the financial statements or that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

### **Classification of leases**

The Group enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors.

### **Recognition of deferred tax assets**

The extent to which deferred tax assets can be recognised is based on an assessment of the probability that future taxable income will be available against which the deductible temporary differences and tax loss carry forward can be utilised. In addition, significant judgement is required in assessing the impact of any legal or economic limits or uncertainties in various tax jurisdictions.

### **Evaluation of indicators for impairment of assets**

The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets. In assessing impairment, management estimates the recoverable amount of each asset based on the market conditions prevailing on the relevant date.

### **Recoverability of advances / receivables**

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

### **Useful lives of depreciable / amortisable assets**

Management reviews its estimate of the useful lives of depreciable / amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utility of certain items of property, plant and equipment.

### **Contingent Liability**

Management reviews its estimate of the financial impact of the contingent liability at each reporting date, based on the demands received from various Departmental authorities.

### **Defined benefit obligation (DBO)**

Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, expected rate of return, mortality, discount rate, retirement age, leaving of service, disability and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

### **Fair value measurements**

Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available) and non-financial assets. This involves developing estimates and assumptions consistent with how market participants would price the instrument. Management bases its assumptions on observable data as far as possible but this is not always available. In that case management uses the best information available. Estimated fair values may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

### **Valuation of agriculture Produce**

Produce growing on bearer plants are biological assets and are 'Fair value' based on biological transformations. As at the balance sheet date, the management has determined that it can reliably measure the biological transformations of its growing produce and such growing produce and agriculture produce has been measured at 'fair values' based on the management's estimates of expected produce. 'Fair values' has been assessed at market prices at the reporting date and adjusted for estimates of costs to be incurred from the reporting date until harvest. Considering susceptibility of the estimates to variations, these estimates and assumptions are reviewed at every reporting date until harvest.

## c) Current versus non-current classification

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Group has evaluated and considered its operating cycle as 12 months.

#### **d) Property, plant and equipment**

The Group has opted to continue with the carrying value for all of its property, plant and equipment as recognised in its previous GAAP financial statements as deemed cost at the transition date, viz., 1 April 2023.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalised until the property, plant and equipment are ready for use, as intended by management. Depreciation is provided in the manner and at the rates specified in scheduled II to the Companies Act 2013 on fixed assets.

Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. Cost includes inward freight, non-refundable duties/ taxes and expenses incidental to acquisition/installation.

Expenses relating to new planting of rubber and further expenditure incurred at the replanted fields (immature area) are capitalised under the head “bearer plants”.

Property, plant and equipment [other than freehold land and lease hold land (perpetual lease)] are depreciated under the written down value method [other than bearer plants (rubber trees and tea bushes) which are depreciated using straight line method] over the estimated useful lives of the assets, which are different from the lives prescribed under Schedule II to the Companies Act, 2013. Useful life adopted by the Group for bearer plants (Rubber Trees) is 28 years and bearer plants (Tea Bushes) is 80 years.

#### **e) Intangible assets**

The Group has elected to continue with the carrying value for all of its intangible assets as recognised in its previous GAAP financial statements as deemed cost at the transition date, viz., 1 April 2023.

Computer software is capitalised in the period in which the software is implemented for use, where it is expected to provide future enduring economic benefits; such capitalisation costs include license fees and cost of implementation/ system integration services. Intangible Assets are amortised over the period useful life of the assets.

#### **f) Impairment of property, plant and equipment and intangible assets**

The carrying amounts of fixed assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal/ external factors. After impairment, depreciation is provided on the revised carrying amounts of the assets over their remaining useful lives.

#### **g) Assets held for sale**

Machinery and Tools included under the head Property, Plant and Equipment relating to discontinued operations have been classified as Non-Current Asset held for Sale/Disposal after considering impairment loss and are shown separately in the financial statements under the head ‘Non-Current Assets classified as held for sale’. Any impairment loss in this regard is recognised immediately in the Statement of Profit and Loss.

#### **h) Revenue recognition**

Revenue from contracts with customers is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

The specific recognition criteria described below must also be met before revenue is recognised.

##### ***Sale of goods***

Revenue from sale of tea at auction is recognised on receipt of the sale note from the brokers. Revenue from sale of tea other than at auction, sale of rubber and minor produces is recognised on transfer of significant risks and rewards of ownership in goods in accordance with the terms of sale. Revenue from sale of Vehicles and spare parts including accessories (Discontinued Operations) is also recognised on transfer of significant risks and rewards of ownership in goods in accordance with the terms of sale.

##### ***Interest income***

Interest income is reported on an accrual basis and is included under the head “Other income” in the Statement of Profit and Loss.

Dividend Income/Income from Mutual Fund units

Dividend income/Income from Mutual Fund units are reported on a receipt basis and is included under the head “Other income” in the Statement of Profit and Loss.

### **i) Inventories**

Valuation of Inventory of finished products of Rubber and Tea, stock of spares, accessories and materials has been done as per Ind AS 2 'Inventories'. Inventories are stated at lower of cost and net realisable value. Cost includes expenditure incurred in the normal course of business in bringing inventories to the location and conditions, labour and overhead wherever applicable. Inventories are written down for obsolete/ slow moving/ non-moving items wherever necessary.

### **j) Standing crops**

Ind AS 2 'Inventories' does not envisage any change in the existing system of valuation of Inventories of finished products of tea and rubber from Accounting Standard 2 'Valuation of Inventories' followed by the Group during prior years. However, Ind AS 2 'Inventories' does not apply to valuation of Agricultural Produce, but will continue to apply to valuation of Inventory of finished products of Tea and rubber. Ind AS 41 'Agriculture' deals with the recognition and valuation of Agricultural Produce viz. standing crop of tea and rubber as biological assets. The Group has valued its standing crops of tea and rubber as at Ind AS transition date (1 April 2023) at a fair value and adjusted the same in the retained earnings. The Group valued the minor agricultural produces such as coffee, pepper & cardamom (without further processing) at fair value as per Ind AS 41. Further movement in valuation at the reporting dates were routed through the Statement of Profit and Loss.

### **k) Employee benefits**

Expenses and liabilities in respect of employee benefits are recorded in accordance with Ind AS 19, Employee Benefits.

#### **Defined contribution plan**

Provident fund

This is a defined contribution plan where contributions are remitted to provident fund authorities in accordance with the relevant statute and charged to the Statement of Profit and Loss in the period in which the related employee services are rendered. The Group has no further obligations for future provident fund benefits in respect of these employees other than its monthly contributions.

#### **Defined benefit plan**

Gratuity

This is a defined benefit plan. Provision is based on year-end actuarial valuation using projected unit credit method. Actuarial gains / losses are recognised immediately in the Statement of Profit and Loss as income or expense. As per Actuarial valuation certificate the provision required for gratuity is as on 31/03/2025 was Rs. 8,43,53,840 (Previous Year- Rs 8,28,70,631). The defined benefit obligation of the Group using this method is calculated taking into account all types of decrements, the rate of gratuity appropriate at the time and mode of separation and quantifying salary projected upto the assumed date of retirement, or leaving of service of death.

Particulars	Period Ended	
	31.03.2025	31.03.2024
Discount rate (p.a)	6.70%	7.20%
Expected rate of return on assets (p.a)	0.00%	0.00%
Salary Escalation Rate (p.a)	6.00%	6.00%

#### **Short-term employee benefits**

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee

### **l) Government Grants**

Subsidy received from Tea Board during the year pertain to waiver of outstanding balance of tea board loan on account of prompt payments.

### **m) Income taxes**

Income tax expense comprises current and deferred income tax. Current and deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Current income tax for current period is 'Nil' due to absence of income and due to brought forward losses and unabsorbed depreciation.

Income Tax is accounted in accordance with Ind AS 12 'Income Taxes' which includes current taxes and deferred taxes. Deferred Tax Assets/ Liabilities representing timing differences between accounting income and taxable income are recognised to the extent considered capable of being reversed in subsequent year. Deferred Tax assets are recognised only to the extent there is reasonable certainty that sufficient future taxable income is available. The deferred tax assets arising due to unabsorbed depreciation and losses are recognised if there is a virtual certainty that sufficient future taxable income will be available to realise the same.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognised as income or expense in the period that includes the enactment or the substantive enactment date.

## **n) Provisions and contingencies**

### **Provisions**

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.

### **Contingent liabilities**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation or it cannot be measured with sufficient reliability. The Group does not recognise a contingent liability but discloses its existence in the financial statements by way of note.

## **o) Financial instruments**

### **Financial assets**

#### **Initial recognition and measurement**

Financial assets (other than trade receivables) are recognised when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through statement of profit and loss which are measured initially at fair value. Subsequent measurement of financial assets is described below. Trade receivables are recognised at their transaction price as the same do not contain significant financing component.

The Group has measured its investments in Equity Shares (Quoted) and Mutual Fund Units at Fair Value on the basis of market value on the balance sheet date.

#### **Subsequent measurement**

For the purpose of subsequent measurement, financial assets are classified and measured based on the entity's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset at:

- a. Amortised cost
- b. Fair Value Through Other Comprehensive Income (FVTOCI) or
- c. Fair Value Through Profit or Loss (FVTPL)

All financial assets are reviewed for impairment at least at each reporting date to identify whether there is any objective evidence that a financial asset or a group of financial assets is impaired.

#### **De-recognition of financial assets**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's Consolidated balance sheet) when:

- a. The rights to receive cash flows from the asset have expired, or
- b. The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (i) the Group has transferred substantially all the risks and rewards of the asset, or (ii) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

### **Financial liabilities**

#### **Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and financial guarantee contracts

#### **Subsequent measurement**

Loans and borrowings

Interest bearing loans and borrowings are accounted for as per the applicable Ind AS considering prevailing facts and circumstances.

### **Derecognition of financial liabilities**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

### **p) Impairment of financial assets**

In accordance with Ind AS 109 Financial Instruments, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets.

The Group tracks credit risk and changes thereon for each customer. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss.

#### **Trade receivables**

The Group applies approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of receivables.

#### **Other financial assets**

For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

### **q) Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

### **r) Segment Information**

Segmentation Report is added as Annexure in this Report

### **s) Earnings/ (Loss) per Share (EPS)**

Basic EPS are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the Group (after adjusting for interest on the convertible preference shares, if any) by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares. The computation of Diluted EPS is not applicable to the Group as the Group doesn't have Dilutive potential equity shares.

### 38. First time adoption of Ind AS

These are the Company's first financial statements prepared in accordance with Ind AS. For periods up to and including the Financial Year ended 31 March 2024, the Company prepared its financial statements in accordance with accounting standards notified under Section 133 of the Companies Act 2013, read with companies (Accounting Standards) Rules 2021 ('Previous GAAP').

Accordingly, the Company has prepared financial statements for the comparative period for the year ended 31 March 2025 that comply with the Ind AS applicable, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1 April 2023, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its previous GAAP financial statements, including the balance sheet as at 1 April 2023 and the comparative financial statements as at and for the year ended 31 March 2024.

#### i) Ind AS optional exemptions

##### a) Deemed cost for property, plant and equipment and intangible assets

Ind AS 101 First-time Adoption of Indian Accounting Standards, permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 'Intangible Assets'. Accordingly, the Company has elected to measure all of its property, plant and equipment and intangible assets at their previous GAAP carrying value.

##### b) Deemed cost for investments in subsidiaries

Ind AS 101 First-time Adoption of Indian Accounting Standards, permits a first-time adopter to elect to continue with the carrying value for investments in subsidiaries as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure its investments in subsidiaries in the standalone financial statements at their previous GAAP carrying value.

##### c) Deemed cost of Investment Property

Ind AS 101 First-time Adoption of Indian Accounting Standards, permits a first-time adopter to elect to continue with the carrying value for investments in Property as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition. Accordingly, the Company has elected to measure its investments property in the standalone financial statements at their previous GAAP carrying value.

##### d) Lease

Appendix C to Ind AS 17, Leases, requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, Leases, this assessment should be carried out at the inception of the contract or arrangement. Ind AS 101, First-time Adoption of Indian Accounting Standards, provides an option to make this assessment on the basis of facts and circumstances existing at the date of transition to Ind AS, except where the effect is expected to be not material. The Company has elected to apply this exemption for such contracts/ arrangements.

#### ii) Ind AS mandatory exemptions

##### a) Estimates

In accordance with Ind AS, as at the date of transition to Ind AS an entity's estimates shall be consistent with the estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error. Ind AS estimates as at 1 April 2023 are consistent with the estimates as at the same date made in conformity with previous GAAP.

##### b) Classification and measurement of financial assets and liabilities

The classification and measurement of financial assets will be made considering whether the conditions as per Ind AS 109 Financial Instruments are met based on facts and circumstances existing at the date of transition. The company has complied with the requirements of Ind AS 109 as may be applicable.

##### c) De-recognition of financial assets and liabilities

Ind AS 101 First-time Adoption of Indian Accounting Standards, requires a first-time adopter to apply the de-recognition provisions of Ind AS 109, Financial Instruments, prospectively for transactions occurring on or after the date of transition to Ind AS.

The Company has elected to apply the de-recognition provisions of Ind AS 109, Financial Instruments, prospectively from the date of transition to Ind AS.

**(iii) Reconciliations between previous GAAP and Ind AS**

Ind AS 101 First-time Adoption of Indian Accounting Standards, requires an entity to reconcile equity, total comprehensive income and cash flows for prior periods. The following tables represent the reconciliations from previous GAAP to Ind AS as at the periods specified below.

**First Time Adoption of Ind AS ( Continued)**

**(E) RECONCILIATION OF CASH FLOW STATEMENT FOR THE YEAR ENDED MARCH 31,2024**

Particulars	PREVIOUS GAAP	ADJUSTMENTS	IND AS
Net cash generated from operating activities	1,112.83	-	1,112.83
Net used in Investing activities	21.82	-	21.82
Net cash generated from Financing activities	(1,649.10)	-	(1,649.10)
Net increase(decrease)in cash and cash equivalents	(514.45)	-	(514.45)
Cash and Cash equivalents at the beginning of the year	1,766.15	-	1,766.15
Cash and Cash equivalents at the end of the year	1,251.70	-	1,251.70

Note No:1 The Reconciliation amount(adjustments) represents Fair value of Biological assets / Standing crops which was not valued under previous GAAP .

Note No:2 The Reconciliation amount(adjustments) represents the Revaluation of quoted shares from Historical cost to Fair Value and impact on Deffered Taxes.

**(iv) Fair valuation of standing crops**

Ind AS 2 'Inventories' does not envisage any change in the existing system of valuation of Inventories of finished products of tea and rubber from Accounting Standard 2 'Valuation of Inventories' followed by the Company during prior years. However, Ind AS 2 'Inventories' does not apply to valuation of Agricultural Produce, but will continue to apply to valuation of Inventory of finished products of Tea and rubber. Ind AS 41 'Agriculture' deals with the recognition and valuation of Agricultural Produce viz. standing crop of tea and rubber as biological assets. The Company has valued its standing crops for tea and rubber as at Ind AS transition date (1 April 2023) and adjusted the same in the retained earnings. Further movement in valuation at the reporting dates were routed through the Statement of Profit and Loss.

**(v) Other comprehensive income**

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the Statement of Profit and Loss as 'other comprehensive income' includes re-measurements of fair value gains or (losses) on FVOCI Quoted equity instruments on the basis of market value as on Balance Sheet Date. The concept of other comprehensive income did not exist under previous GAAP.

**(vi) Other Equity**

Adjustments to retained earnings as at 1st April 2023 and 31st March 2024 has been made consequent to the above Ind AS transition adjustments.
